

CALDOVA PHARMACEUTICALS

EXPEDITED PRODUCTION APPROVAL RECORD

Supplier	Invoice	Purchase order
Astor Ridge Biologics	ARB-260 814	PO-88 431

Decision date: August 6, 2026

Caldova Procurement confirms expedited scheduling for batch CDV-AX47 under agreement CMO-2026-041.

The approved expedited-production premium is limited to the existing contractual cap of 4% of the USD 185,000 batch price, or USD 7,400.

No revised purchase order or VP Procurement approval was issued for a premium above USD 7,400. No approval was issued for a validation documentation fee.

Control note

This record documents evidence for review. It does not authorize payment, reject an invoice, or change supplier or quality status.
