

CALDOVA PHARMACEUTICALS

PROCUREMENT DECISION RECORD

Supplier	Invoice	Purchase order
Northwind Therapeutics	NWT-260 821	PO-89 214

Decision date: August 18, 2026

Caldova Procurement confirms the serialized label setup allowance under agreement PKG-2026-052 is USD 8,000 for lot CDV-LB22.

No revised purchase order or written Procurement approval exists for a setup fee above USD 8,000.

No approval exists for a rush changeover fee.

Control note

This record documents evidence for review. It does not authorize payment, reject an invoice, or change supplier or quality status.
